SURVEY of ELECTION IMPACT CAPABILITIES

Greetings!

[The Voices Of America](#) would very much appreciate your survey input regarding election impact capabilities, while the learnings from this year's election are still fresh on your mind.

We strive to provide best practices for impacting elections by sharing these on our website and in our newsletter with all liberty loving individuals and organizations. Our newsletter is sent to individuals and organization leaders in 47 states and our website is one of the top GOOGLE search results for "precinct organizing" (especially our instructional videos).

We will compile and analyze all survey inputs and will share them with you via our newsletter and website. In Ohio we will also share these results with the Ohio Liberty Council, the Ohio Action Network, and any other interested patriot organization.

Clearly, our "Tea Party" movement has just begun and we must continuously strive to improve our capabilities! Thank you in advance for taking the time to complete the survey.

Please feel free to share this survey request with anyone else potentially interested in providing input.
