BIG GOVERNMENT STATE OF THE UNION

ECONOMY / JOBS

- Fewest % of people working since 1983
- Highest national debt ever! +60% since '08
- High food price inflation
- Struggling housing market
- 50% increase in food-stamp recipients. Welfare's work training requirement eliminated.
- S&P first ever credit warning for U.S.

OBAMACARE (LARGEST TAX INCREASE EVER)

- Much higher taxes & insurance premiums
- Costs \$2.6 trillion in first 10 years
- Cuts Medicare by \$700 billion
- Greater bureaucracy & regulations

ENERGY POLICY

- Gas prices highest ever: > \$4/gal
- "War" on oil/gas drilling and coal industry
- Blocked "Keystone Oil Pipeline"
- Billions of tax \$ lost on Green Energy Projects
- EPA rules CO2 as pollutant, overruling Senate

SELECTIVE ENFORCEMENT OF LAWS

- Attorney General found in contempt of Congress
- Unenforced Immigration laws; Intimidates states
- DOJ fights Voting Integrity laws of states
- DOJ refuses to enforce Defense of Marriage Act

INDIVIDUAL LIBERTIES

- Assault on Religious Freedom with contraception & abortion Health Care Mandates
- FCC internet controls overrule Congress & Court

EDUCATION

- Higher costs = poorer student test results
- We rank 30th in Math & 23rd in Science in world
- Teacher unions prosper, while students suffer
